WASTE MANAGEMENT PRACTICES

15th April, 2023

Department of Environmental Science and Eco club of GDC Thindim Kreeri organized a lecture on Waste management Practices on 15th April, 2023 under the supervision of Worthy Principal, Prof. Kounsar Jan. The main aim of the programme was to make audience aware about the different practices of waste management in college campus and at their residential areas. The programme was attended by faculty, students of all semesters and other staff members of the college. Dr. Khursheed Ahmad Wani, Assistant Professor Department of Environmental Science delivered the lecture on the theme. He discussed different sources of waste, its impact on the society and ways to manage the waste with emphasis on vermicomposting. This was followed by an interactive session and most of the students assured that they will start waste management practices at college and in their households.
